Bob, We will take a look at these items and get back to you as soon as we can. However, we may not be able to meet your arbitrary deadline to get back to you.

On a separate set of items in this case, we have yet to receive a response to numerous communications dating back to late February through March 4. Please respond to all outstanding items at your earliest convenience – particularly whether you will agree to move the response date back to April 8 and what the status is of the documents and depositions that we have requested.

Geoff
